

Xerox® Connect App for Exchange Online

Scan and send. Simply and seamlessly.

Xerox® Connect for Exchange Online

Extend the reach of your contact list.

With the Connect App for Exchange Online on your Xerox® ConnectKey® Technology-enabled multifunction printer, you can securely scan and send documents to anyone in your personal and global contact list.

86% of professionals agree that poor communication results in workplace failures.

– Salesforce

BEFORE

Bring document to your multifunction printer.

Scan the document to your computer.

Return to your computer and access the document.

Forward the document to appropriate recipients.

AFTER

Select recipients.

Scan.

Get more out of Exchange Online.

The Connect App for Exchange Online makes sending documents to your contacts a snap. Access your full personal and global contact list at the multifunction printer. Quickly search for and add the addresses you need. And send in seconds — with all the security and data loss prevention you expect from Exchange Online. All documents are sent via your Exchange Online so recipients recognize the sender address in their inbox.

xerox™

Send documents faster with the Xerox® Connect App for Exchange Online.

Xerox® Connect for Exchange Online

Effortlessly share any physical document with your Exchange Online contact list and the Connect App for Exchange Online. Simply choose your recipients and settings, then tap scan to send.

Open Exchange Online app.

Access your contact list through the Connect App for Exchange Online on your multifunction printer.

Select recipients.

Easily search your contact list for the right recipients.

Scan.

Press "Scan" to share your document.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.
